

Upper Eden Rotary Club Committee Framework 2016/17

Fundraising Events and Projects... David Whitehead, 2nd Vice President, monitors and encourages these activities.
 This cuts across the committee boundaries and is the responsibility of the whole membership, all of whom shall be involved in some manner or other.
 Each committee and individual members are encouraged to suggest and develop ideas and enterprises. Co-operating on joint events with other clubs may be undertaken.
 Unless ring fenced for a specific project, funds raised are available to support projects as advised by the committees to whom members are encouraged to offer suggestions.
